

DEPARTMENT OF TRANSPORT SERVICES

Student Transport Guidelines:

- The transport bus service shall be availed by a student during the beginning of the academic year by submitting their preference through the online transport service registration form.
- Based on the transport service request registration, appropriate bus fee will be generated in the KITE (mycamu) portal of the student.
- The bus fee generated should be paid on or before the due date and the bus fee paid receipt shall be produced on demand, failing which the student may not be permitted to board the bus.
- The fees paid will not be refunded. However, final year students who may have to undergo internships shall apply for refund through OSA.
- The student shall use only the allotted bus and designated boarding point.
- Students should be present at the boarding point 10 minutes prior to the scheduled time.
- The student will have to travel only from the designated boarding point to the campus and vice-versa. Those found leaving the bus before reaching the campus will be referred to the disciplinary committee.
- Buses will adhere to the timings and shall not be expected to wait at the bus stops.
- Boys and Girls are to be seated separately in the designated seats only.
- Students should not enter into arguments with Drivers/Conductors and instead prefer to register their complaint to the Transport Officer.
- Any student found to indulge in discipline related issues will be referred to the disciplinary committee and their recommendations will be implemented.
- During non-regular working days, viz., examinations, fests, workshops etc, the students may be dropped at the nearest point to their boarding stage.
- The buses will leave the campus at the designated time and students should be present at least 5 minutes before the designated departure time.
- The students shall board the buses only after the driver boards the bus before departing from the campus.
- The student may prefer to give suggestions/complaints to the OSA for any transport related issues including behaviour of drivers and conductors.
- The Transport officer can be reached over mobile: 9487700832 or email: transportofficer@kct.ac.in
